

MULTIPLE DISTRICT 13 OH1 CONVENTION

April 5-6, 2024

Hilton Garden Inn

1050 Interstate Drive West, Findlay, Ohio 45840

CALL TO CONVENTION

Lions, Leos, and Guests:

MD 13 OH1 will meet for its annual District Convention on April 5 – 6, 2024, at the Hilton Garden Inn, Findlay, Ohio. Our gathering will recognize the efforts of Lions in our District over the past calendar year, discuss District business, hold our annual elections, and remember those Lions who have passed away since our last convention. Clubs who have had members pass away since our last Necrology Service are reminded to send 1VDG Susan Davis member's name, club service, and a picture, if possible, for this year's service.

The convention theme will embrace a Hawaiian beach vibe. Convention dress will be as follows. Friday night is Lions casual. After our meet and greet dinner with the visiting ID, there will be a euchre tournament. The Kalida Lions Club will also be hosting a hospitality room. Saturday during the morning and afternoon sessions those attending are asked to wear Hawaiian or floral shirts with casual shorts or pants. Weather permitting, there will be a Strides walk for Diabetes in the afternoon. Saturday Grand Banquet is red jackets or business attire (neckties are fine, but not required). A quilt with proceeds going toward STEPS, will be auctioned off during the banquet.

We are asking clubs once again to donate \$20.00 to sponsor a table at one of the meals. The club's name will be printed as SPONSORED BY XYZ LIONS CLUB and be placed by a table centerpiece. These donations will be applied to the cost of the convention and allow us to keep the convention registration under \$100.00. There will be a printed convention program available at the convention. Ads for the program may be purchased which help to keep costs down as well. See the "Convention Ads" form if you wish to support your club, candidate, or the convention in this manner. There will be an envelop raffle at the Grand Banquet.

This Lions year has been fun and our service to our communities and support of the District Hunger Project have been outstanding! We have done a great job of continuing established programs and initiating new projects. Come join us April 5 – 6 as you are able. I look forward to seeing everyone and celebrating MD 13 OH1!

Remember to have fun and serve safely,

Be The One
