## Thoughts from Governor Deb Crawford

Do you love being a lion? I sure do! Being a Lion is one of the best things in my life. Lions has allowed me to meet some fabulous people and make new friends. I enjoy traveling around the world to Lions meetings and events. As I help serve others in a safe manner, I have a feeling of goodness knowing that I have helped to make a difference in our world. We all need to share our love of Lionism with those around us. At the OH1 District Convention Lion Tamarra Parker-Stephens will lead us through a "Lions Passport" which will make sharing each of our Lions stories easier.

It was a very enjoyable gathering at this year's Lions Winter Retreat held at Salt Fork State Park during the Martin Luther King, Jr. weekend. There were many fun and informative sessions to attend. The food was good and the fellowship, as always, was a pleasure. You can learn a lot from other Lions! Some out of state Lions visited as well to share information about LCIF, membership, and the upcoming USA/Canada Leadership Forum to be held in Louisville, Kentucky. Next year's Winter Retreat will be held at Maumee Bay State Park January 17 – 19.

Now that the bones in my ankle and wrist are healing, I very much look forward to being a more active Lion. Good thing too since there is so much going on in February! Thank you for all the cards and Get Well wishes. Be the one who serves safely with kindness and have fun!

**Susan Davis**

Baby! It's cold outside!

So while you are wrapped in your blankets, with a cup of hot cocoa or other beverage, and perhaps in front a crackling fire, let's begin thinking ahead.

There are a lot of events coming up in February, March, April, May, June and September. Check this newsletter for a NWOLECF meeting, District Cabinet meeting, OH1 District Convention, and check [OhiolionsOH1.org](http://OhiolionsOH1.org) or [ohiolions.org](http://ohiolions.org) for information about District Conventions statewide, State Convention, International Convention in Melbourne, Australia, and USA/Canadian Forum in Louisville, Kentucky. Branch out to some of the other events involving Lions. You meet all kinds of Lions with all kinds of ideas and from there you can build a support group of people that can help you with your community projects or services. At the least, scroll through these opportunities to see what is out there.

And while you are thinking about the BIG picture, think about OH1. If anyone is interested in being a part of the district as **zone chairs, assistant zone chairs, region chairs, or district committees**, please let me know. I am hoping that most are returning at this point, BUT everyone can use an assistant that can learn the position and/or step in when needed. The cabinet is not exclusive! I am encouraging every Lion to consider being a voting cabinet member. You can also attend cabinet meetings to learn the process and to see what we discuss. It is fun and funny at times. It is good to socialize with other Lions. So, if you are interested in either being a committee member or attending a meeting, contact me. ***This is your district.***

**ROAR ON!**

**Greetings from 2VDG**  
**Faith Cataldo-Gauger**

February tends to be a time when many people think about Love. A great way to show God's Love to others is through SERVICE. And Lions members are all about serving and helping others! (My personal favorite reason to be a Lion.)

So February can be a good time of year to look at your club's Service Projects. We are over half way through the current Lions year - is your club on track to meet its service goals? Or do you need to make some adjustments? Are the projects that you have been doing still serving the needs in your community? Are there other unmet needs that might deserve a higher priority? Would it be beneficial for your club to partner with another organization in your area to help bring about additional or new services? Where is there a need that is not being met?

Also, remember that when you are doing service projects, that it is a great time to invite a friend or acquaintance to assist in the project. You may just gain a new member!

Then, be sure to REPORT your club's Service Activities in the MyLion/MyLCI reporting system.

Keep up the great services that you and your club provide!

Yours in loving Lions Service,  
2nd VDG Faith : )

**Council Chairperson**  
**Dave Stockum**

Happy Winter.

That second week of January was cold weatherwise, but hot in Lions Land. The thermometer reached zero, but we added sixty new members in the first two weeks of January. Best wishes to the new club at Willoughby Hills, which chartered with 33 members on January 18. January 27<sup>th</sup> the Marion Lions Club celebrated its new charter. We need to average 85 new members a month for the remainder of this Lions Year to reach the LCI goal of 957 new members for the year. Incidentally, the Constitutional Area noted the fine job we are doing recruiting new members and raised the initial goal of 918 to this new number. Great job on the plus side, but we need to put a dent in the minus membership category. We must focus on retention of our current members to make membership growth a fact. Club satisfaction surveys, direct contact with inactive members, and increased and publicized service are all ways to stem losing members.

I am confident when you see the Recruiters Passport program unveiled at the Winter Retreat and disseminated to local Lions by mid-February, you will be further encouraged to get out in your communities and "Ask One (or two or three...)" to be part of our Lions family. Speaking of the Winter Retreat, over 140 Lions gathered at Salt Fork Lodge for an enjoyable and educational MLK Weekend. Sessions ranging from Bigfoot to New Voices were well-presented, and old and new friendships were re/established.

Besides the Recruiters Passport Program, I am challenging each club to be a 100% club in service, leadership and membership. Each club will receive a postcard after the February 10 Council of Governors Meeting challenging them to submit a report using the Lions Portal (we are almost at 100% in MD13 already), to submit their PU-101 officer report to LCI by May 15, and to finish the year +2 in growth. I will check the statistics for each club mailing me the completed postcard at the end of the 2023-2024 Lions Year and send the successful clubs a 2"X 2" banner pin designating them a 100% Lions Club in service, leadership and growth for 2023-2024. If the year were to end today, 47 of our 353 clubs would receive this designation. This is a personal challenge and funding for it is not coming from MD13 funds! I believe we can achieve this and am "putting my money where my mouth is."

Let's go; let's grow... in service and in membership. Let's be leaders in the field of charitable organizations and in our own clubs and districts. Have a great February.

CC Dave

## Where there's a need, there's a Leo!

Why are Leo Clubs important?

They provide leadership, experience and opportunity. Leos know the power of action. They embody the best of LCI. "Leos and Lions form a powerful partnership — one of mutual respect where Lions learn from the innovative insights of Leos, and where Leos gain access to the proven strategies of those who've successfully served the world for decades."

Think about starting a Leo Club in your community. Come to their convention to learn more about what they do and how they are an integral part of their community and Lions. (above)

I ran a series on all aspects of LCIF and how it impacts you and your clubs. Finally, there is “10 Tips Applying for a Grant.”

1. ID a project that addresses an unmet humanitarian need for the underserved.
2. Discuss with others that can offer guidance
3. Determine which LCIF grant applies
4. Partner with LCIF to ensure a successful application
5. Learn which LCIF grants have matching funds
6. Answer all application questions thoroughly and provide supporting documents, including a detailed budget
7. Include required application approvals
8. Understand how to submit an application
9. Be sure to meet grant application deadlines
10. Be patient after submitting your grant application

*Editor's note:*

Personally, I would find a person who has grant writing experience if possible. From my experience and a grant writer and grant reader, there are certain “buzz words” that apply to each situation. Using the proper language enhances your chances of receiving a grant because it shows the committee that you have researched your project and understand the process. Be very specific in everything you submit. Reread your application to someone else. If there are any questions, they may come to light and need to be addressed before submitting. Don't be shy! Give it a try! Remember you are doing this to help others. LCIF knows that too.

June 21-25, 2024

### 2024 Lions International Convention

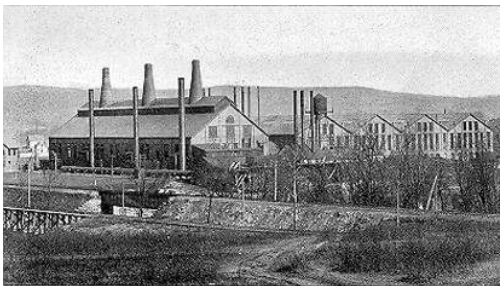

The 2024 Lions International Convention will be held in Melbourne, Australia, June 21 – 25. You will need a current Passport and Visa. Plenary sessions, the exhibit hall, seminars, and Parade of Nations will all be there waiting for you to experience. Nearby attractions include: Royal Botanic Gardens, National Gallery of Victoria, the Cricket Arena, Shrine of Remembrance, and the Queen Victoria Market.

## USA/Canada

### Leadership Forum

“Setting the Pace” is the theme for the USA/Canada Leadership Forum to be held September 5 -7, 2024 in Louisville, Kentucky. There are plenty of hotels close to the action. 1VP Fabricio Oliveira, Sam Glen, Randy Pierce, and Trish Wilson will be the main speakers. In addition to the informative sessions, there will also be a decorate your own Kentucky Derby hat contest. Nearby attractions include the Louisville Slugger Museum and factory, Churchill Downs, Mohammed Ali Museum, various Bourbon Distilleries, and much more. Be sure to visit the Ohio Lions, Lions International, and USA/Canada Leadership Forum websites for further information.

## A PEEK AT WINTER RETREAT

District OH1 Lions Jo Moats, PDG John Davis, 1VDG Sue Davis, and PCC Kevin Reidy and Anne Miller from OH2 briefly became glass blower artisans for the **Cambridge Glass Co.** The company was in operation from 1902-1958 and at its peak employed over 800 people. Cambridge Glass is known world wide! To learn more, google Cambridge Glass Company. You might even have a piece of original glass at home! Presented by Cindy Arent.

John Hickenbottom has become an expert on **Ohio's Big Foot!** It is very big, hairy and tall, averaging 6 to 8 feet tall; with foot prints averaging from 13 to 17 inches long. It has been rumored to live in Ohio since the mid-1700's. It has also been rumored to live in Ohio's largest State Park. Salt Fork. The park is a perfect habitat for the creature with its forests, hills, grassy land and streams. There are plenty of places to nest-as they seem to do-and abundant food. They are said to live in clans, not alone. When one is sighted, there are usually others near by. There is a conference for those believers and those interested. Check their website. Never say never.
