Thoughts from Governor Deb Crawford

Fall is such a beautiful season! Hopefully you are taking time to stop and appreciate the beauty around you, and get a chance to partake in the fun that cooler temperatures offer. I enjoy seeing all of the fall and Halloween decorations. There are some talented folks out there!

As Lions we are a quarter of the way through this Lion year. It is time to reflect on and refine our projects and to be thankful for each other. Looking back at what worked and making adjustments on what didn't allows us to grow and improve the ways we meet our communities' needs. Always remember to thank the many people who have helped to make your club's projects and events successful.

Thank you to all of the clubs in OH1. You are all amazing Lions!

Council Chairperson
Dave Stockum

Greetings to all,

I hope your clubs had a “servicable” October and were able to report Fall into Service Activities for the month. It would be great if MD13 were efficient enough to have 100% reporting by the end of the 2023 Calendar Year. I am sure GST leaders throughout the multiple have been encouraging clubs in their districts to do so. By the way, I want to assure you all that we have an outstanding leadership group throughout the Ohio Lions this year who are working hard to grow our service and our membership, train to become more effective leaders, and fulfill their various roles in a positive and joyful manner. As an ex officio member of all our State Committees and having had the opportunity to sit in on numerous meetings of these committees, I am impressed by how dedicated and professional our elected and appointed leaders are.

We are currently waiting to hear whether two Lions International Grants have been approved. One is a promotional grant to develop more videos, this time focusing on two major foundations and on LEOs, and the other is a membership development grant which we plan to use to help end our 40 year drought of minus membership growth. We currently are +11 in membership growth since July 1; at this time last year we were -72. A new club in Marion, some explosive growth in OH7, and four other districts in plus numbers is very encouraging. However, clubs tend to weed out inactive members in December and June, prior to semi-annual billing announcements, so we need to keep up the great work. I am aware some of our districts are taking advantage of LCIF grants and LI (LI stands for the name of our international association, Lions International) training grants as well. It is good Lionism to have monies we pay in International Dues and monies we contribute to LCIF return to benefit our state association and the communities within it. Again, these grants reflect the diligence of our district and state leaders in acquiring financial support for programs and service within our multiple.

I hope you are making change within your clubs. We encourage you to support hunger concerns within your communities this quarter since the Fall and Winter Holidays and winter season are often the most demanding times for food pantry stockpiles and families needing healthy nourishment to celebrate the season and to combat the weather. This first quarter, we encouraged clubs to support diabetes causes. At the time of this writing with over a week left in October, I see about \$5300 donated for Diabetes causes in our multiple district. Lion Ernie Richmann is our State Diabetes Chairperson and can direct donations to worthy diabetes organizations like the Juvenile Diabetes Research Foundation. His address is: 48 Lincoln Blvd, Painesville, Ohio 44077.

I hope your Halloween was spooky and fun. Have a great Thanksgiving. I look forward to seeing many of you at the November 4 Council of Governors Meeting at the Central Ohio Lions Eye Bank and the RLLI2 Training at Salt Fork State Park Lodge in mid-November.

Council Chairperson Dave Stockum

iVDG
Susan Davis

This message is short and sweet. Gov. Deb and I have enjoyed visiting more clubs to watch the planning of activities as well as sharing the results of past projects and services. On a rainy day in October, I visited the Van Buren Fall Festival. I was happy to see so many people enjoying the crafts, the goodies, buying the infamous apple butter and last but not least the absolutely scrumptious bean soup! And don't forget the corn bread! The trip over there really brightened a very dreary day. That is what Lions are for, right?

Four in our group and I have finished training and are making plans for Australia and of course more training in Chicago. Stay tuned. I might share how smart your iVDG is becoming.

Have a Happy Thanksgiving. Gobble 'til you wobble.

Sylvania Celebrates 25 Years! Congratulations

Sylvania Lions held their 25th Charter Night on October 25. It was a well attended event held at the Highland Memorial Golf Course. PID Steve Thornton and DG Becky Thornton attended the event and PID Steve gave an inspiring speech to our group. We have 3 charter members still active in our club, PDG Bill Niejadlik, Joyce Moore, and G. Robert Rank and they were there! Carol Collins, current president of Sylvania received the Melvin Jones award for her work in Lionism. We had a raffle of many items and raised \$282 for Sylvania Area Family Services. We also inducted 3 new members that evening which made all of us proud. It was an evening to remember for all.

Congratulations to Lion Carol Collins upon receiving the Melvin Jones Award.

Our 25th Charter Night on October 25 included a food drive to benefit Sylvania Area Family Services. We collected many bags of food to assist in this season of need.

Series Part 6: Youth

“Lions Quest is invaluable for teaching social and emotional skills.” Mental health is a focus in many schools and universities. Lions Quest is designed to educate students and teachers on stress, peer pressure, bullying, and other outside forces that impact their mental health and ultimately their ability to focus on teaching and learning.

Social/emotional health is as important as academics as it equips students to go out into the world and become successful adults. It is a life skill.

Lions Quest lessons impact the students throughout the day because the lessons are reinforced and applies to daily life.

Statistics show that 1 in 5 students are bullied at school, 1 in 3 have been cyberbullies, 2/3 worry about school violence in 160 countries around the world, and finally, low reading scores are directly connected to bullying. What baggage our children are carrying!

With Lions Quest, school suspensions have decreased 72%. Schools with positive school climate have lower rates of absenteeism and bullying. Lions Quest makes an impact! A Harvard study showed that students perceive their schools positively and feel that they are physically and emotionally safe.

LCIF offers Lions Quest Grants Programs to develop and expand their program. Check the LCIF website for detailed information.

Hello Lions, Leos and fellow humanitarians,

The last several weeks, I have had the opportunity to visit with many of you around the world and hear your stories of service made possible by LCIF grants. I was particularly moved by the way Lions in Morocco have used LCIF grant funding to help people who were impacted by the devastating earthquake that struck there. The region will continue to need Lions for many months to come, and I'm proud that our foundation and Lions on the ground can work together to help during this time of great need.

Our foundation truly empowers us to make a difference in the world, thanks to the [continued support](#) of Lions, Leos and many others who generously give to LCIF, including our corporate partners. In this month's newsletter, we share the impact made possible through our partnership with Latter-day Saint Charities. I also hope you will learn more about ways to support LCIF and be recognized for your contributions, as well as share your stories of service made possible through our foundation. Thank you for being an ambassador for LCIF.

Make a great day,

Brian E. Sheehan

Hurricane Otis...

made landfall in Acapulco and surrounding areas of Mexico as a Category 5 hurricane, the strongest storm on record to hit the area. The full scope of the devastation is still unclear, with communication systems down, but it is estimated that dozens of people have been killed with several still missing. Homes and other buildings in the path of the storm were destroyed.

Lions in the region are already poised to help and Lions Clubs International Foundation is mobilizing funds, including a US\$50,000 Major Catastrophe Grant and a US\$10,000 Emergency Grant, to empower them as they help their communities recover.

Your generous donation to LCIF's Disaster Relief Fund, specifically reserved for all disaster relief, helps Lions continue to serve!

Greetings Fellow Lions!

Let me introduce you to your newly appointed Ohio Lions Foundation Chair for the next 2 years. I, PDG Sheryl Burnette, was appointed at the 1st. Cabinet meeting in August by your District Governor to fill the vacancy of the OLF chair position for the remainder of the term, which will be elected at the 2025 District Convention.

Ohio Lions Foundation is a foundation that provides almost immediate funding for those communities that have sustained a natural disaster that has occurred in our towns, communities and in our District, and throughout the state of Ohio. Any Lions Club can apply for a grant (contact your OLF Chair or DG with your request) in the amount of and up to \$5000. These funds are generally provided in the way of gift cards, no cash. These gift cards may be handed out to individuals that may need help with cleanup materials, emergency housing, clothing, anything needed to make their lives better right after a disaster strike.

The Ohio Lions Foundation Committee approved an application for Disaster Relief for individuals after the Tornado's this summer that happened in Point Place (Toledo Area). That is just one example of where your donations go when your Club donates to OLF.

If your Club is considering a donation to the Ohio Lions Foundation this Lions year, I ask that you send your donations to: PDG Sheryl Burnette, OLF OH1 Chair, 5355 County Rd. 18, Wauseon, OH. 43567. Please make checks out to: Ohio Lions Foundation (OLF); if you have a specific program, you want your donation to go to put that in the memo line.

Thank you, fellow Lions, for your generosity to help others in need when they are faced with disasters that are unexpected!

We Serve!
