October 2020 Edition

FIRST QUARTER COMPLETED

The first quarter of this Lions year comes to an end. Some clubs have started meeting again, while others are still reluctant to meet in person. I've attended a few virtual zone meetings and one live one. The live one was very well attended by all but one club in the zone. It happened on their meeting night.

All of the Zone Chairs are doing a great job in promoting October's "Falling into Service with Lions." Many clubs have committed to do some kind of service project during the week of October 4-10, 2020. If your club has not sent PDG Nick Schmunk your commitment letter, please do it now. Our goal is to have 65% of the clubs from each District to participate. Let's make sure OH1 is one of them.

In case members have not heard, the Toledo Host Lions Club has folded. Toledo Host was one of the original 13 Ohio Lions Clubs to charter in 1920. Lima Host was also one of the original clubs and are planning a one hundredth Charter Night anniversary celebration spring.

District OH1 has scheduled our annual STEPS walk for October 3, 2020, in McComb. The Hancock Health Department will not give us the go ahead to hold it in person because of the pandemic. Many Districts statewide have held

(Continued on page 2)

virtual walks. Some individual clubs held walks, took pictures of their group and posted them. OH1 will follow suit. McComb Lions Club will hold a walk for their members. If other clubs would like to do the same, please contact Lion Jessica Reichley about how to hold a walk in your community. Whether you walk or watch others walk; please register for the STEPS walk in order to monetarily help the Ohio Lions Pediatric Cancer Foundation and our local Pediatric Hospitals.

Ohio is one of the few states where the new cases of COVID-19 are declining. Please continue to wear masks and follow doctors' and scientists' orders so we may be back to normal this spring.

We Serve,

DG John Davis

STATEMENTS FROM ZVDG DAVE STOCKUM

Greetings OH1,

Fall has arrived. Weather has been beautiful the past few weeks. Things are starting to move in OH1. A number of zone meetings have been accomplished; some others are announced. Zoom technology and Microsoft teams have been used, and some events are taking place employing the use of masks and social distancing. Traditional means of fund-raising are being undertaken, and new ones are being explored. As Lions, we need to continue to be open to ways to address the challenges Covid 19 has presented, both by altering our normal practices to meet the new rules and finding additional ways the new rules allow. For example, suggesting masks for those uncomfortable with simple social distancing, Zone F held a meeting at the Convoy Lions Pavilion. Instead of a carry-in, pizza was ordered. The Centennial Lions Banner to be raised on a barnside just inside the Ohio Line on Route 30 was a local topic discussed. Zone clubs all donated to the cost of the 36 foot by 25 foot banner! The Fall

into Service project was emphasized. Service could be as simple as helping a senior citizen in the community with some Fall cleaning or planting or trimming a tree.

A second important part of the project is to report the service on MYLION. The Summer Lion Magazine reported 5,734,744 people served through vision screening for example. OH1 certainly is active in vision screening. Do those statistics include our efforts? Those statistics come from MYLION reports. The magazine reports 2,278,223 people served through childhood cancer awareness, education and advocacy. We can swell those numbers by participating in the OH1 Virtual STEPS Walk October 3. The registration form is in this October Newsletter and on the OH1 Website, as well as the OH1 Facebook site. Simply join club members is a Fall walk in Lions clothing, take a picture, and send a copy of the picture with a check made out to Ohio Lions District OH1 (STEPS on the memo line) to DG John Davis at 933 Thornapple Lane, Findlay, Ohio 45840. Of course, then report the walk to MYLION. 5,762,256 people have been served by tree planting and tree care! Get the picture? Let's Fall into Service the first week of October. Stay safe, and remember "We Serve."

HAS YOUR CLUB FILED?

At the close of the 2019-20 Lions year clubs on the July-June calendar year need to file their 990N with the IRS and their Charitable Registration with OAG. Granted, clubs have until November 15th to file, but it is mandatory. The sooner you file, the less chance of being late. There are a few clubs on the yearly calendar and should file after January 1st.

As always, should your club need assistants in filing please let us know-sooner than later.

A MESSAGE FROM YOUR DISTRICT ADMINISTRATOR

Part two of three.

In the previous newsletter I shared the Monthly Membership Reporting, in this article Service Activities.

MyLion

MyLion-This site is where the club secretary reports service, plan their service projects, connect with other Lions and create personal profiles.

To effectively tell your story, measure your impact and grow membership, ***it's critical that all clubs report service***. Every project and fundraiser we participate in as Lions, no matter how big or small, is valuable in your journey of serving your communities and the world. Reporting service projects can be done in a handful of steps in MyLion.

Each Zone Chair gets a monthly club assessment report, delinquent service activities are shown in red. This report shows the months since the clubs last activity report. Currently we have twenty-nine out of fifty-five clubs that have not reported a service activity in a 12-15-month range.

I have seen many clubs report service to the newsletter editor or on facebook we need to report service on MyLion. Please note, not only can the club secretary report service activities so can the club president and club administrator.

The Delta Liberty Lions club recently wrapped up their Meat raffle fundraiser with St. Mary's Meats. The fundraiser was quite successful for the club and proceeds will go to support our service projects such as the eyeglasses fund we use to buy glasses for needy children and adults, Backpack Buddies Food Program, Youth Baseball, LC/PDY Scholarships, and more.

Pictured are the two top winners with Lion President John Bay. \$100 winner Leon Grace, \$300 winner Sue Starr.

MCCOMB LIONS

September has been a fairly quiet month. We had our regular meeting. Our annual Meet the Teacher night with the Rotary Club was postponed because our meeting happened to fall on the first day of school!

However, October is shaping up to be a typical busy month. On October 3 OH1 is doing a virtual STEPS walk. Members of the McComb club are welcome to meet at the park to walk together if they wish. On October 10 we will have our fall litter clean up as a part of the Fall Into Service project.

On the 13th we will join the Rotary for the annual Meet the Teacher night at the Hanneman Funeral Home parking lot. And finally, on October 24 we will have our Annual Senior Scholarship BBQ at St. John's Lutheran Church. This will be drive through only. Needless to say, we plan to make October a productive month. Stay tuned for the results!

DISTRICT CONVENTION

Susan Davis: Committee Chairperson, Deb Crawford: Co-chair

The district convention will be held on April 23-24, 2021, at the Hilton Garden inn in Findlay, Ohio. The sight has been secured and plans are being formulated. We will have a STEPS walk around the pond on the property as well as traditional sessions and services.

District Governor John Davis notified me that International Director Larry L. Edwards and his wife, Susan, will join us for the weekend. They are from Pennsylvania. He is a retired bank executive and member of the Harris Township Lions Club. If you want to know more about ID Edwards, read the next newsletter.

Voicecorps Ambassadors available as a Lions Club guest speaker

Voicecorps reading service, long known for reading newspapers and other print for blind and disabled Ohioans, has expanded its geographic service area. Voicecorps is asking for your help by telling your Club members the good news. Plus, you can now book a speaker from Voicecorps at your next virtual Lions Club meeting.

Established in 1975 in central Ohio and serving thousands of people living with blindness, low vision and other conditions that prevent reading print, Voicecorps provides daily news and information 24/7. Originally available in central Ohio, Voicecorps is now in the Black Swamp area of northwest Ohio and the Appalachian corridor leading from mid-Ohio to the southeast corner of the state. Voicecorps Ambassadors can tell you how.

A long-time friend to Lions Clubs, Voicecorps had to cease in-person outreach with the outbreak of the pandemic. Now that Lions Clubs are using Zoom for meetings online, Voicecorps Ambassadors can fill your guest speaker needs with a relatively short notice.

Voicecorps continues seeking guest speaker opportunities with central Ohio clubs. To schedule a Voicecorps Ambassador, e-mail Shari Veleba, Voicecorps Marketing Coordinator at sveleba@voicecorps.org or call the Voicecorps office at (614) 274-7650. Please schedule at least two weeks prior to your Club meeting.

Deadline for the November Newsletter is October 25, 2020.
