October 2021 Edition

STATEMENTS FROM IVDG DAVE STOCKUM

Fall is here, and for one, I am thrilled. I love Ohio's seasons – all ten of them. Let's see, there's cold Spring, wet Spring, green Spring, early Summer, beastly Summer, late Summer, Indian Summer, colorful Fall, football Fall, and Illlong Winter. I'm saying we're in Indian Summer right now, with mum and leave season on the horizon. At any rate, other than an alarming rise in Covid (please be careful and use common sense), this is a great time of year in Ohio. Districtwise, there

are two areas on which we should concentrate these days. One is labeled "compliance" and the other is "Fall into Service." The Ohio Department of Commerce has discovered an old law which says all Ohio organizations must file an unclaimed funds statement each year. The word is that they intend to begin enforcing this law. The form for doing so is included in this newsletter. It is quite simple to complete, and all we need to do, after filling out the identification boxes is check the box for "no" where it asks if we have any unclaimed funds, sign at the bottom of the page, and mail it to the address at the end of the form. Along with our IRS 990's and Ohio Attorney General Reports, it is one we are required to file by November.

For "Fall into Service" we would like to see every club do a service project in October, whether it falls in the requested dates of October 10-17 or not, and report it on MyLion. Reporting on MyLion must be done by your club president, secretary, or administrator, and most clubs are familiar with the process. If you aren't familiar with reporting in MyLion, give me a call at 740 415-0849. If you

(Continued on page 2)

don't have a club administrator and would like to add one from your club to do your computer reporting, call PDG Bill Keller, the District Administrator, and he will sign you up. His number is 567 674-9093.

I continue to visit clubs as I am able. I enjoyed Fort Jennings 50th Charter Night Celebration and was thrilled to help present charter members, Art Niedert, Gene Krietemeyer, and Jon VonSosson, Melvin Jones Fellowships. Lion Adam Anspach and his merry crew did a great job putting that event together. Check out their picture later in the newsletter. I had a good trip delivering directories and enjoyed visiting with zone chairs John Cordes and Joanne Moats and her husband, Dr. PDG John. I enjoyed flipping sausage patties for Venedocia at the Van Wert County Fair and making up sandwiches for Sylvania Sunrise Club at the Solheim Cup. Again, have a good month and don't forget to do a service project and report it. "We Serve" is our motto – live it!

ZVDG DEBORAH CRAWFORD'S THOUGHTS

As the students settled into the classroom, Lions settled into what we do best - WE SERVE! We served food at county fairs, worked at town celebrations and golf tournaments, helped to build playgrounds, honored fellow Lions, planned for October, collected food and school supplies for those in need, attended workshops and the Leadership Forum, and many other activities.

This past weekend two STEPS walks in our district took place; one in McComb and one in Waynesfield. Money collected from virtual walkers and club donations will be added to the money donated by the walkers. Last year we were able to donate \$1000.00 to

Toledo Children's Hospital for use in Childhood Cancer research and care. STEPS is a district Lions project. The next STEPS walk will take place at our District Convention in April.

OLPCF, Ohio Lions Pediatric Cancer Foundation, is a state foundation. Money by clubs and individuals given to this foundation goes into a state fund to be used for Childhood Cancer research and care. Last year \$25,000 was

given to Cincinnati Children's Hospital to be used in Childhood Leukemia research.

As we continue our "Fall into Service" this October, remember to serve safely, serve with your heart, and always serve up extra kindness. Thank you for all that you do!

USA/CANADA LEADERSHIP FORUM

This past September the USA/Canada Leadership Forum was held in Des Moines, Iowa. Many interesting sessions were attended, including one given by PDG/1VDG Lion Dave Stockum about OLPCF. Several lions from our district and Ohio were able to help assemble Braille books. It involved placing

pre-stamped Braille labels over the print on children's books. This was the first time the publishers had agreed to let this happen outside of the publishing building. Several Lions from the McComb club were able to meet our visiting convention speaker, ID Lion Dr. Dianne Pitts and her husband. They are looking forward to visiting our area of the state in April. It

was great to see many friends and meet new ones. However not many Lions from Canada were able to attend. We look forward to seeing them next year when the forum will be held in Calgary, Alberta, Canada.

2022 LCI CONVENTION BUS TRIP**MONTREAL, CANADA, JUNE 24 - 28, 2022**

The Districts OH1 and OH2 is planning a joint bus trip to the 2022 Lions Club International Convention in Montreal, Canada. Presently we have a bus company, Bliss Charter, for the north have half of Ohio out of Fostoria, Ohio. All Ohio Districts are invited to join us.

First, is there enough Lions interested in going? This is a survey with several options to see if we should continue. Please only respond if you are serious about joining us.

_____ OPTION 1. The trip would start on June 23, 2022, on the west side of Ohio in Fostoria, Ohio. This trip would be approximately 12 hours and completed in one day. There would be relief drivers in both directions.

There would be a few pick-up points going across Ohio according to where Lions could meet. We would stop for lunch and supper plus some occasional short stops.

This option would cost \$12,475.00 (7 days) with relief drivers. Bliss Charters pays their driver's room in Montreal. Example cost: 40 Lions would cost around \$315 per passenger; 35 Lions would cost around \$360 per passenger.

_____ OPTION 2. The trip would start on June 22, 2022, on the west side of Ohio in Fostoria, Ohio. This trip would be a total of 9 days going and coming, with travel approximately two 6-hour days. We would stop about halfway at a reasonable rate motel for the night. The same driver would be with us the whole trip.

There would be a few pick-up points going across Ohio according to where Lions could meet.

This option would cost \$11,425.00 (9 days) We would pay for the driver's room on the way out and back. Example cost: 40 Lions would cost around \$290 per passenger; 35 Lions would cost around \$330 per passenger. Layover rooms would depend on how many per room.

_____ OPTION 3. You would like to make the trip and are willing to go with either option. Either choose option 1 or 2 or mark option 3 if you have no preference. We will

go with the majority. We can have more than one bus if there are enough passengers. Each bus would need at least 35-40 passengers to make the trip affordable.

All coaches are on a first come, first serve basis. In order to reserve a coach, we must have a signed contract with a \$400 non-refundable deposit paid. This quote was only valid for 30 days and may fluctuate depending on fuel prices.

The sooner we reach a valid number of passengers the sooner we can reserve our buses. Each Lion would need a valid passport to enter Canada and back into the US.

Each Lion would need a valid COVID-19 Vaccination Record Card or would possibly need a certificate explaining why not. Requirements change from day to day.

There will be many questions about the trip and the committee will try to answer them. There will be questions better answered once we know we have a full bus.

FOR THOSE WHO ARE SERIOUS ABOUT GOING PLEASE FILL OUT THE SHORT REGISTRATION BELOW. WE WILL KEEP YOU UP TO DATE OF ANY CHANGES THAT MIGHT OCCUR.

SEATS WILL BE FIRST COME, FIRST SERVED, SO DON'T DELAY! PLEASE RESPOND BY OCTOBER 1.
