Thoughts from Governor Dean Carruthers

We are now at the half way point of our Lions year. District OH 1 has been doing great with membership but can always do better so please do not stop recruiting new members.

The District Convention registration form and the program Ad form are included in this news letter or at the District web site. Please sign up and reserve your room so we have a great convention. We have a great speaker for the Saturday noon meal Jay Gray from Pilot Dogs. His program is Pilot Dogs then & now. Each club is asked to bring 2 items for the raffle at the convention.

We will be voting on District Governor, First & Second Vice District Governor. If there are any former Zone Chairpersons who would be interested in being a candidate for Second Vice District Governor, please contact District Governor Dean. You will also need to submit your letter of interest and a letter support & endorsement from your club. We will also be voting for a District Representative to the State Finance & Planning Committee.

I have started my official visits to the clubs of the district. I am asking the President, Secretary or program chairperson to contact me, so we can schedule a date & time for my visit to your club. I can be contacted by email bigb31353@gmail.com or my cell phone at 567-525-2582.

Please add me to your newsletter & email lists. My contact information: email me at bigb31353@gmail.com or call my cell **567-525-2582** anytime between 8:00 A.M. – 11:30 P.M.

Communications from VDG Don Wiechart

Merry New Year my fellow Lions of District OH1, Lions at large and all others who may be perusing our newsletter. Now before you correct me, like Clarence Beeks of Lyndhurst Security corrected Billy Ray Valentine in the movie Trading Places, I know its Happy New Year. So Happy New Year my fellow Lions.

We start our new calendar year as we also reach the midpoint of our Lion Year. It is a good time to take stock and review what goals and objectives you and your club are meeting and where you might be currently coming up a little short and need to refocus some attention. As you focus on your club meeting and events there are two events that you also will want to attend so register and mark your calendars: The Ohio Lions Winter Retreat will be nearby at Maumee Bay State Park on January 18-20 and our District OH1 convention will be February 22 and 23 in Findlay. I look forward to seeing many of you there.

I'll close today by simply saying, best of luck in the second half of the Lion Year and best of luck in 2019 my fellow OH1Lions. If you need me for anything always feel free to contact me.

Yours in Lionism VDG Don Wiechart

Thoughts From 2VDG Ashley Schmunk

Greetings fellow Lions!

As the time for the OH1 District Convention rapidly approaches, you may still be deciding if you will be going. I urge any Lion who can to attend. I have too many good memories of past Conventions to mention them all, so here are a just few pictures from past conventions.

Good food and prizes may not be the main attraction, but there will be plenty of these. Shown here is last year's winning peace poster and some of the door prizes.

Of course we will attend to District business and elections. There will be training to help Lions to be more effective in their service. Pictured is last year's officer's training class.

There will be inspiring speakers like ID Jennifer Ware who was our International Guest last year.

Conventions are an opportunity to meet new Lions and see some you haven't seen in a while. Lions Grandma and Grampa (the Smiths) smile with International Guests.

Everybody who has ever planned an event knows that volunteers are worth their weight in gold. We don't pass out gold, but there will be a lot of district awards to recognize so much service.

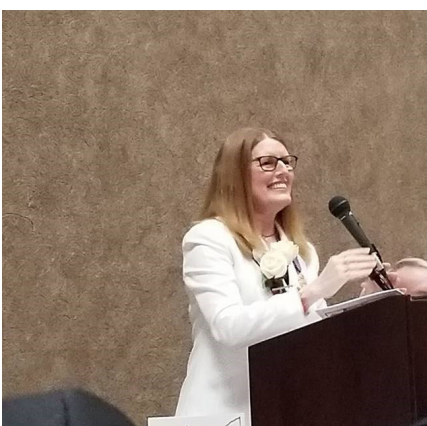

Here is Lion Mom (PDG Sheryl) presenting an award to Lion Darlene. This year Lion Darlene has been doing very rewarding work as president of NWOLECF.

Lion Deb and Lion Jessica got awards last year. Lion Jessica is always a big hit with the Lion Cubs with art, movies, and snacks. Lions From Zone A, B, & C will remember the talk Lion Deb gave us on pediatric cancer and STEPS. With or without an award these Lions are winners!

Hope to see you in Findlay!

Yours in Lionism,

2VDG Ashley

Sight and Hearing News

From IPDG William Niejadlik

I would like to give a quick update on what is happening in Sight and Hearing. As many of you know, I am trying to get a second vision screening machine. The KidSight program from LCI has expired, so we now need to raise \$10,000 to get a grant of another \$10,000. We currently have a little over \$4000 collected. I am trying to combine with another district but no luck so far. We will purchase 2 machines. I will also work with the KidSight program to try and restart the KidSight program.

Last summer the Sight and Hearing Committee met with Prevent Blindness Ohio. During the meeting I expressed my displeasure with them concerning the fact that we have not had any vision training in Northwest Ohio in over 5 years. Many of my fellow committee members were critical of my statement and I did receive some harsh words from the committee chair.

Lo and behold, on January 29, 2019, there will be a vision training from Prevent Blindness Ohio in Sylvania. It will be at Kingston Retirement Center on King Rd. Sylvania, Ohio. Needless to say, our district needs to have a great turnout for this training. Please go to www.wiseabouteyes.org and RSVP. This is a great training and you will learn about juvenile eye problems.

I would like to see 10 or more of our Lions in attendance. Any questions, please contact me. rugguy522@msn.com. Or call 419-297-1141.

Sylvania Sunrise Holiday party for the Visually Impaired — December 12th

Sylvania Sunrise Lions hosted the Visually Impaired Holiday dinner for the Sight Center of Northwest OH on December 12, 2018. It was held at Epworth United Methodist Church in Toledo OH.

This is the 86th Holiday party being hosted by the Lions for this group. It was originally started by Toledo Host and Sylvania Sunrise Lions assumed the party a number of years ago. We couldn't do it without several other Lion clubs and their Leo clubs.

1st VDG Don Weichart came and

participated in all the events of the night.

Swanton and Bedford MI lions' clubs brought their Leos to help with serving the clients and clean up. Perrysburg Lions came also to help.

We had monetary donations from Wauseon, Perrysburg, Bedford, and Toledo Host Lions clubs. The party is a prime example of how clubs work together to serve many. Our own club had 12 members buying, preparing, cooking, serving, cleanup, and entertaining our clients. It was a wonderful way to start this holiday season.

Venedocia Lions Club Lights Up Three Communities for Christmas

For the last several decades, members of the Venedocia Lions Club have constructed, maintained, placed, and removed the lighted holiday decorations that adorn the village of Venedocia each Christmas Season.

Over the years, the effort has extended to the village of Elgin and now to the community of Landeck.

Club members have constructed lighted snowflakes, trees, angels, candles, and wreaths that are placed on outside poles in each community from the weekend after Thanksgiving until the first weekend into the new year.

As components of the decorations have needed to be refurbished and replaced, the lights have been updated to include energy efficient

LED bulbs.

The Venedocia Lions Club invites all area residents to enjoy the sights of the holiday season while passing through the communities of Venedocia, Elgin, and Landeck.

The Christmas Decoration Committee includes those pictured: standing: Carl Renner and Bob Harter, kneeling in front: Dave Rees, seated: Boomer Bonifas, Tom Evans, and Dan Klaus. Other committee members not pictured are Paul Bockey, Doug Jones, John Lloyd, and Bob McCollow.
